

Application for Admission to a Nursery Class in a School or Nursery School

I understand that there is **NO** automatic right of transfer from the nursery class to the reception class at the school and have been advised of the admissions criteria which is published on the Lewisham Website <http://www.lewisham.gov.uk/myservices/education/schools/school-admission/applying-to-start-primary-school/Pages/Admissions-policy-for-community-primary-schools.aspx>

I understand that I will need to complete a Common Application Form to apply for a reception place at a Lewisham School during the published registration period.

Voluntary-aided faith schools, foundation schools, the free school and academies each have their own criteria for deciding which children to admit. The full admissions policy, annual intake and other information about each school are included in the school's prospectus, which you can get direct from the school:
