Autumn Term update from Sandhurst Primary School Governing Board

Hello, and a very warm welcome to you if you have recently joined our school community.

It gives us immense pleasure to be able to welcome you back to Sandhurst Primary School after such a long period apart. As we settle into the new school year, we hope that you are getting used to the changes that have been necessary to keep children, staff and parents as safe as possible.

Staff worked tirelessly over the summer to ensure that our school could fully open again and we would like to thank everybody involved in finding practical and workable solutions to such a monumental task. We would also like to thank you for your kindness, understanding and ongoing support as we all try to navigate through these exceptional times.

Some aspects of Sandhurst life may look and feel slightly different at the moment, but one thing that will never change is our commitment to your children. Sandhurst staff are dedicated to providing a primary education that recognises, nurtures, inspires and stretches every pupil, and we, as a Governing Board, will continue to support and challenge the school to ensure continual improvement.

Please do get in touch if you have any comments or questions or if you would like us, as governors, to help you with anything. You can contact us via the school office.

And could we remind everybody to help keep us all safe at Sandhurst by:

- Sticking rigidly to your allocated gate times
- Maintaining a safe, two-metre distance from others as you queue
- Keeping on the pavement and off the road

Thank you for your support and understanding.

With best wishes,

The Sandhurst Governors
