Newsletter  
Spring Term  
22<sup>nd</sup> February 2021

Dear Parents and Carers,

Well I am sure you have all seen the announcement from Boris Johnson today. I am delighted to say that school will be fully open from Monday 8th March. I am so looking forward to welcoming everybody back in two weeks time.

I will give all the full details over the coming days once we have received full Government guidance. I anticipate that all procedures we put in place last September will continue. So we will still have staggered gate times, social distancing, year group bubbles etc. Our families had all got into a fantastic routine and I am confident we will fall seamlessly back into those same ways as just before Christmas.

So our on line provision will continue as it is currently set up until the end of Wednesday 3rd March, then on Thursday 4th and Friday 5th March we will just provide up-loaded activities so that all staff can be in school getting ready for the full opening, but also providing for our in-school critical worker pupils too.

Our wrap around care will also be fully back up and running so please do book in via parent mail if you want a place. All other clubs will still be on hold until we see how things develop over the coming weeks and months.

It does feel like there is finally, some light at the end of a very long dark tunnel. I am really hopeful that the end of the Summer term may look like something we are much more used to at Sandhurst and we will, once again, be together as a community.

I will be in touch again with more details as soon as they are available.

Please take care.

Yours truly

Mrs R A Dove
