SANDHURST SUMMER OF PLAY
Sandhurst Parent Teacher Association playground fundraiser

On your marks, get set.. PLAY!

Children and young people have been badly affected by the restrictions and lockdowns over the last year – spending long periods of time away from their friends and usual places of play, having to stay indoors and spend far more time on screens than usual. **But we still have the summer...**

Sandhurst PTA want to refurbish and activate the playground at Sandhurst in different ways so that students get the opportunity for **as much outdoor play together as possible** this summer. And we need YOUR help..

Support us to boost existing playground facilities and ensure they are as **inviting, exciting and fun** as they can be for all Sandhurst children, through contributing to our fundraiser.

Reaching our **£5,000 target** would mean:

- Refurbishing existing **playground markings and furniture**
- Adding a set of **NEW giant chalkboards**
- Adding **NEW playground markings** (such as hopskotch and agility trails)

Going even further and reaching our **£8,000 target would** mean:

- Adding a **Three-way shooter**
- Adding a **Poly Pull through tunnel**

Please contribute anything you can towards a summer of outdoor play for children of Sandhurst Primary and share with family, friends and workmates.
