

Sandhurst Primary School

COVID Update
Autumn Term
19th November 2021

Dear Parents, Carers and Staff,

I know you have all received the newsletter already but I wanted to add a COVID update. I have just got off the phone with the London Coronavirus Response team (LCRC) and they have advised we remain as we are and keep all current arrangements in place for at least another week.

We do still have a couple of cases of coronavirus in school, one pupil in Yr 5 and one member of staff in Yr 2. The LCRC are also seeing a surge of cases across London so have requested we continue with our Outbreak Management Plan for a little longer. Thank you for your on going support with this.

They have also asked me to encourage as many people as possible to take up the offer of the booster vaccine.

So please keep wearing masks, maintain social distancing, keep children home if they are unwell and book a test if you or your children are unwell.

Thank you so much and I will update you next Friday.

I wish those that are unwell a speedy recovery. I hope you all have a good weekend.

Yours truly

Mrs R A Dove
