Newsletter  
Spring Term  
24<sup>th</sup> January 2022

Dear Parents, Carers and Staff,

With the ever changing landscape of COVID I thought it would be useful to just give you an update on how we are currently doing. I decided if I break down where the cases are for you, it will help you to be really onboard if you or your children start to feel unwell and to guide you with taking regular LFTs.

So here we go:

Reception:	Star Class 3 Moon Class 1
Yr 1:	Callisto Class 1 Astronaut Class 1 2 staff
Yr 2:	Lunar Class 1
Yr 3:	Supernova Class 2
Yr 4:	Hubble Class 3 Galileo Class 2
Yr 5:	Zodiac Class 1
Yr 6:	Apollo Class 3 Nasa Class 1

If your child's class is not listed, then there are currently no cases of COVID. But just to add excitement to the situation we do now have a couple of cases of Chicken Pox too.

So, although a slightly better picture than last week, COVID is very much still with us and we do need to keep all our measures in place. Thank you for all your on-going support.

Yours truly

Mrs R A Dove
