

Suggested books to read at home:

This half term we will be using our class names as a stimulus for writing political/social poetry, using bridges as a metaphor for change. We will also begin our whole class text 'Kick', a story about Budi, a child who lives in Jakarta who aspires to be a football star. This thought-provoking story will prompt class discussion, helping the children to consider wider global issues, the lives of children around the world and celebrate what makes us unique.

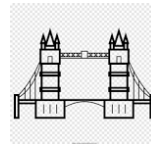

Writing outcomes:

- Political/social poetry
- Job Description linked to the character 'Dragon' in the book 'Kick'.
- Setting description of Jakarta.
- Information fact file based on class name.
